
Club Allocation 2022-23

Class- 5

Dear Parents,

GAA/P/PN_122/10.02.2022

In the Early Years, students were exposed to a variety of co-scholastic activities and were encouraged to discover their interests. As students are about to step into grade-5 the focus shifts more towards academics and they are allowed to pick their choice of “Club Activity” to help them further develop their interest and hone their skills.

Listed below are the Club Activity options for the Academic year 2022-23. It is mandatory for a student to choose any one activity out of the six choices mentioned below:

1. **Two Speech and Drama Club (80 seats):** will be conducted by **an inhouse faculty member**, in which sessions explore movement, acting, and characterisation through role play from well-known stories. Activities give ample opportunities for development and practice of public speaking skills. Students will also develop and enhance articulation, diction and voice modulation.
2. **Art & Craft Club (40 seats):** will be conducted by inhouse faculty, students will explore a variety of artistic media through creative projects. They will gain ample exposure from a wide variety of visual arts and at the same time will have fun in creating their own artistic masterpieces.
3. **Indian Music - Vocals Club (20 seats):** will be conducted by **Swaralasika** Students will learn to sing tunes in perfect pitch and rhythm, perform songs in English and regional languages, folk songs, Patriotic songs and Swaravalis. They will understand how tunes are made up of notes (Swaras) and how combinations of different Swaras make Raagas.
4. **Flute Club (40 seats):** will be conducted by **Swaralasika** in which students will learn to play the musical Instrument- Bamboo Flute, explore Indian Classical Music and understand the Saptaswaras to learn and play songs. Playing the flute will help improve breath control, focus, creativity and multitasking abilities.
5. **Indian Dance (20 seats):** will be conducted by **Nrithyodaya**, The Academy of Performing Arts, with an aim to make Indian art & culture more relevant and relatable to the young minds, thereby instilling a sense of pride about our heritage.
6. **Western Music (40 Seats):** will be conducted by **an inhouse faculty member**. Music is an art

form deeply rooted in human nature. It is a discrete body of knowledge, a unique form of communication. Our Western Music curriculum rests on three interrelated strands: Listening and responding, performing, and composing, and lastly producing.
